Request for the provision of electronic pathology results

- All of GV Health Pathology’s electronic reports are provisioned using the secure HealthLink service. We do not provide electronic reports via any other service provider.
- If you are unsure what your HealthLink EDI Account name is, or you would like to obtain a new account, please contact HealthLink on 1800 125 036.
- Please note that while all reasonable efforts are made by GV Health Pathology, the delivery and correct interpretation of electronic reports is largely dependent on the provider of the electronic network as well as the medical software you use.
- To ensure the continuing receipt of results, please advise GV Health Pathology if there are any changes to the details provided.
- In general, electronic reports will begin to be provided to you within 5 working days of receipt of the fully completed form. We ask that you please advise GV Health Pathology once you are correctly receiving your electronic downloads from us.
- If you subsequently experience any problems receiving electronic reports, please contact HealthLink on 1800 125 036. If no problem is found with the HealthLink service then please contact GV Health Pathology.
