

Annual Procurement Activity Plan

Goulburn Valley Health are looking to develop long term partnerships with suppliers that are adaptable and innovative, who take accountability, and who can help deliver real and lasting value.

To effectively and efficiently procure goods and services across the organisation to obtain the best value for money and economies of scale, Goulburn Valley Health's procurement activity plan is aligned to its priorities and strategies.

When sourcing goods and services from the market, Goulburn Valley Health are committed to open, fair and transparent sourcing processes.

This Procurement Activity Plan provides a summary of the major procurement activities in the non-salary area of organizational expenditure and provides potential suppliers advance knowledge of the likely procurements.

The Procurement Activity Plan will be reviewed and updated as required, based on the best information available at the time of publication.
