ABOUT YOU,
FOR YOU

Goulburn Valley Health Interns

Create Your future With Goulburn Valley Health – Come and be a GV Doctor!

Goulburn Valley (GV) Health is a regional health service that aspires to be a leading academic health centre in the region. An exciting opportunity exists for motivated individuals to join GV Health as an Intern eligible under the 2024 PMCV Computer Matching Service and guidelines. The Interns will rotate through various clinical departments throughout 2025.

About GV Health

Goulburn Valley Health (GV Health) is located in Shepparton in central Victoria and is just 2 hours drive north of Melbourne with proximity to alpine snowfields, rivers and lakes, wineries and the arts. We are co-located next to the University of Melbourne Rural Medical School, and are working to be a centre of excellence for clinical teaching and research. If you come to us as an Intern, you join the GV Doctors community, and we will partner with you to prioritise your clinical rotation preferences to ensure you meet your career goals. We enjoy glorious weather, great lifestyle and the sports and attractions of a major regional city. GV Health is the Public Health Service for the Hume Region, with main campuses located at Shepparton, Tatura and Rushworth and additional sites in Shepparton, Seymour, Benalla and Wodonga. GV Health provides a range of acute, mental health, aged and primary health and community support services across the Goulburn Valley Sub Region of the Department of Human Services, Hume Region. The main campus is the major acute referral site for the sub region.

Some of the great benefits of working for GV Health include:

- Salary Packaging
- Continually growing and developing
- Work/Life balance

- Supportive culture based on Reward and Recognition
- Employee Assistance Programs
- Glass House café serving breakfast, lunch, coffee and cakes
- Professional Development opportunities
- Paid maternity and paternity leave
- Social Club
- Discount gym/pool membership
- Competitive remuneration

Requirements

See below guidelines

Application guidelines for 2025 Intern positions

Requirements

Resume (CV Template provided on our web site)

Cover Letter

Photograph

Academic results

2 x references

You will also be asked to provide your PMCV Candidate ID number when submitting your application to us. This is our way of quickly identifying that you are eligible for the Intern Computer Match. If you do not provide a PMCV Candidate ID number it will assumed that you are not eligible and your application will not proceed through the short listing process.

Assessments/References

All candidates must submit two on-line assessments/references via the PMCV Computer Matching Service. No additional references are required by GV Health. It is preferred that both references are obtained from Consultants, but if a Registrar is used please ensure these are from different disciplines.

Guidelines for Cover Letter

Your cover letter should be no longer than one page and address the following question: Why should GV Health select you as one of our interns? This is your opportunity to tell us about yourself.

Please note: There are no right or wrong answers. A cover letter is merely an opportunity for you to tell us a little more about yourself. It is common practice in any application process. Please address your cover letter to Mrs Carla Jewell, Manager Medical Workforce Unit.

Offers

All offers are made subject to the applicant successfully completing all requirements of their medical degree in 2024 and being eligible for provisional registration with the Australian Health Practitioner Regulation Agency

(AHPRA) in 2025. This includes English language requirements being met for temporary resident candidates successfully matched to GV Health. Applications will open on **Monday 6 May, 2024** close **Thursday 6 June 2024**. There will be no extensions.

PLEASE NOTE: Under the rules of participation in the Victorian Computer Match, candidates will be unable to accept any position in Victoria other than the position to which they have been matched if they decline a matched position.

Commencement

Compulsory Intern Orientation will be held in Monday 6 January 2025. Intern positions commence the following week commencing Monday 13 January 2025.

If you have any queries about the application process that have not been answered here, please feel free to contact the Medical Workforce Department via intern@gvhealth.org.au or (03) 4804 4323.
