- Our deep connection to the community enhances our care for patients;
- We support the whole patient journey;
- We are understanding of each other.

### Respect

- We respect the patient’s voice and their choices;
- We celebrate diversity and are proud of multiculturalism;
- We respect differences of opinions;
- We respect the input of different disciplines and areas of expertise.

### Excellence

- We are encouraged to grow professionally and personally;
- We are leaders in what we do;
- We invite feedback and are always striving to do better;
- We connect patients to further care and information.

### Accountability

- We are responsible for our actions;
- We are courageous in our decision making and grow from our mistakes;
- We deliver what we promise;
- We don’t compromise on our standards.

### Teamwork

- We are a multi-skilled workforce and we pool our resources together;
- We mentor and support one another;
- We take a collaborative approach to care;
- We are approachable.

### Ethical behaviour

- We hold ourselves to high standards;
- We rigorously uphold professional boundaries in our regional setting where patients may be friends or family too;
- We value and respect our patient’s privacy and trust;
- We stand up against unsafe practice.

### **CREATE Outstanding**

CREATE Outstanding encompasses foundation elements of the *Goulburn Valley Health Strategic Plan 2024-26* to link GV Health's purpose, values and our Culture of Care with fundamental organisational systems and processes. GV Health is striving to achieve CREATE Outstanding in every interaction with the people services are provided for as well as how staff work with each other.

### **ROLE STATEMENT:**

The Community Health Programs operate from GV Health's Corio Street campus and include Community Health, Health Promotion and Self-Management Support services, along with the Early Childhood Therapy & Supports (ECTS) team.

The programs provide a range of services to consumers living in the Goulburn Valley region. Community Health services include: Dietetics, Occupational Therapy, Healthy Mothers Healthy Babies Outreach Program, Physiotherapy, Podiatry, Sexual Health Nursing and Speech Pathology. The Health Promotion team coordinates and supports a variety of projects and initiatives aimed at raising awareness of and addressing priority health and wellbeing issues. The Self-Management Support service provides health coaching for people living with chronic disease, QUIT education and group programs, and the ECTS team works with young children who have a disability or developmental delay, and their families.

The Community Health Programs (with the exception of ECTS) are funded by the Victorian Government to provide high quality coordinated care and integrated service provision. The principles that underpin community health service provision include that care is person-centred, culturally responsive, evidence based, goal directed, reflects a team approach, builds self-management capacity, promotes health literacy, is provided early and promotes health and wellbeing. The ECTS program works within the National Disability Insurance Scheme (NDIS) which promotes choice and control for families.

The Podiatrist is responsible for providing assessment, treatment/management and advice to both paediatric and adult consumers presenting with a range of biomechanical, vascular, cutaneous, nail, diabetic and infection-related foot problems. Services are primarily provided in our clinic in Shepparton however may on occasion be provided in other community-based clinics as deemed appropriate in a Community Health model and according to local need. The Podiatrist will ensure that interventions chosen are effective and based on best available evidence, and will liaise closely with other key stakeholders across a range of internal and external service providers to facilitate a collaborative approach to service provision and positive consumer outcomes.

Other tasks, such as quality improvement initiatives, as defined appropriate by the Manager may be required to be undertaken provided they are within the capabilities of the person at the time.
