

THINKING TOGETHER

# Speak directly with a local GV CAMHS Youth Psychiatrist

The Specialist Outreach Clinic Service (SOCS) will provide you with support via secondary consultation in relation to young people with complex mental health difficulties aged 12-25 years of age. The SOCS team will think together with you about how you could achieve the best possible outcomes for the young people you provide care to.

**Appointments or queries for SOCS consultations can be made via GV CAMHS reception - 03 5832 3170. Registration to access SOCS consultations is easy and free with details sent at time of making appointment.**
