<b>Professionally reports to:</b>	Chief Medical Officer
<b>Department:</b>	Surgical
<b>Directorate:</b>	Clinical Operations
<b>Cost centre:</b>	A5353
<b>Code &amp; classification:</b>	Hospital Registrar (HM25 - HM30)
<b>Performance review:</b>	Upon completion of probationary and qualifying period and annually or as requested
<b>Employment conditions:</b>	Victorian Public Health Sector (AMA Victoria) – Doctors in Training (Single Interest Employers) Enterprise Agreement 2022-2026

Goulburn Valley (GV) Health is a Regional Public Hospital and Health Service for the Hume Region of Victoria, with main campuses located at Shepparton, Tatura and Rushworth. The main campus in Shepparton is the major acute referral hospital for the sub region. Additional sites are also located in Shepparton, Seymour, Benalla, Cobram, Echuca and Wodonga. GV Health provides a range of acute, subacute, mental health, aged, primary health and community services across the Goulburn Sub-Region within the Hume Region.

The *Goulburn Valley Health Strategic Plan 2024-26* provides the direction for GV Health with key elements summarised below.

Vaccination against COVID-19 and Influenzas are a mandatory requirement of this role. Vaccination against preventable diseases is also highly recommended. You will be required to provide evidence of your vaccination status during the application process'

### OUR PURPOSE

Improving community wellbeing through high quality health services, outstanding care and learning.

### OUR VALUES AND BEHAVIOURS

Our culture is made up of our CREATE values and behaviours, through which we commit to delivering ongoing quality healthcare for our community. Our CREATE values and behaviours are the foundations for our strategic pillars, and for achieving our goals.

#### Compassion

- We treat others with kindness and respect;
- Our deep connection to the community enhances our care for patients;
- We support the whole patient journey;
- We are understanding of each other.

#### Respect

- We respect the patient's voice and their choices;
- We celebrate diversity and are proud of multiculturalism;
- We respect differences of opinions;
- We respect the input of different disciplines and areas of expertise.

#### Excellence

- We are encouraged to grow professionally and personally;
- We are leaders in what we do;
- We invite feedback and are always striving to do better;
- We connect patients to further care and information.

#### Accountability

- We are responsible for our actions;
- We are courageous in our decision making and grow from our mistakes;
- We deliver what we promise;
- We don't compromise on our standards.

#### Teamwork

- We are a multi-skilled workforce and we pool our resources together;
- We mentor and support one another;
- We take a collaborative approach to care;
- We are approachable.

#### Ethical behaviour

- We hold ourselves to high standards;
- We rigorously uphold professional boundaries in our regional setting where patients may be friends or family too;
- We value and respect our patient's privacy and trust;
- We stand up against unsafe practice.

### **CREATE Outstanding**

CREATE Outstanding encompasses foundation elements of the *Goulburn Valley Health Strategic Plan 2024-26* to link GV Health's purpose, values and our Culture of Care with fundamental organisational systems and processes. GV Health is striving to achieve CREATE Outstanding in every interaction with the people services are provided for as well as how staff work with each other.

### **ROLE STATEMENT:**

The Surgical Registrar is directly responsible to the attending Surgical Consultant for day-to-day patient management, and ultimately to the Chief Medical Officer. They will provide the day-to-day clinical management of patients under the care and direction of the Consultant Staff of the Department of Surgery to ensure a high quality of patient care.

They will undertake administrative duties for the Department under the direction of the Consultant Staff to ensure that the Department is run efficiently.

### **KEY RESPONSIBILITIES, ACTIVITIES AND DUTIES:**

#### **Delivery of Service**

- Ability to accurately order and interpret radiology/pathology results.
- Ability to work well in a team environment.
- Experience with management of patients on the Ward.
- Ability to communicate effectively and work collaboratively with nursing staff, senior medical staff and other relevant staff on ward or in clinics
- Assess treat and review outpatients and attend operating sessions.
- Ensuring appropriate initial assessment of all medical patients at the time of admission, supervising the initiation of treatment and taking direct responsibility for critically ill patients.
- Complete daily surgical operation status and respond to unstable and critical ward patients as prescribed within GV Health Surgical Assessment System.
- To provide feedback and participate with the surgical ward based Surgical Assessment System trial.
- Supervise and support the Interns in the assessment and documentation of admissions and discharges.
- Review surgical patients in the Critical Care Unit and ensure that documentation has been completed including assessment and a management plan for the patient's future care.
- Ensure that every patient has a documented follow up plan organised prior to discharge.
- Ensure that medication orders are printed and that items are prescribed generically.
- Provide timely support to the Emergency Department (the Registrar on call is expected to cover the Emergency Department)
- To work with other medical, nursing and allied health staff to support efficient admission and discharge processes.
- Participate in education of medical staff, nursing staff, medical students and emergency staff.
- Attend outpatient clinics and operating theatre sessions at which he/she is required.
- Participate in the Clinical Audit Committee, including preparation of morbidity audit.
- To provide regular and formal performance feedback to Interns in consultation with the coordinator of Medical Training and Medical Resource Manager.
- To treat all staff and patients with courtesy and respect at all times.
- To communicate with referring general practitioners and other health providers, community nurses regarding patient progress and care requirements.
- Ensure that each patient has an appropriate fluid balance plan.
- Participate in presentations at Grand Rounds, Journal Clubs and other educational activities.

- Understand and fulfil the documentation requirements of Goulburn Valley Health documentation policy and procedure.

#### **1. Provide quality and safe clinical care for consumers**

- Ensure consumers, families/representatives or carers are provided with timely information and are involved in decision making about their care planning and treatment
- Accept accountability for own actions and seek guidance when a situation exceeds experience and/or knowledge
- Uphold and protect consumer rights, maintain strict confidentiality and continually practice to the principles of open disclosure
- Comply with best practice healthcare standards, legislation, and GV Health's Clinical Governance Framework and clinical practice guidelines
- Consumer feedback and complaints are responded to appropriately to ensure that issues are resolved and quality and safe clinical care is provided
- Maintain accurate and current clinical records ensuring documentation meets professional and legal standards
- Promptly report vital consumer observations that are outside the normal range as per clinical guidelines
- Ensure an effective discharge from hospital or services that reflects the needs of the consumer.

#### **2. Develop and maintain collaborative relationships with all disciplines**

- Collaborate and communicate with all members of the health care team to achieve desired consumer outcomes
- Respect the decisions and actions of others
- Contribute to interdisciplinary team meetings and clinical education sessions to facilitate consumer care goals.

#### **3. Support and participate in evidence-based programs to evaluate and improve the quality of consumer care and outcomes**

- Maintain current knowledge of clinical practice
- Actively participate in identifying where improvements can be made to the quality of consumer care
- Participate in clinical audits, research, process redesign and accreditation against healthcare standards to ensure ongoing clinical practice improvement and the quality of consumer care.

#### **4. Commit to ongoing professional development of self, other employees and the profession**

- Maintain and demonstrate regulated clinical skills and competencies by undertaking professional development and completing mandatory training as defined by GV Health
- Undertake credentialing and review of scope of practice and work within these
- Improve performance by seeking feedback, setting goals and participating in annual performance reviews
- Support the development of others by acting as a resource to colleagues and participating in orientation and precepting of new employees and supervising students
- Provision of appropriate supervision to less experienced clinical employees
- Participate in committees and professional groups and disseminate relevant information to other health care professionals.

#### **5. Teaching**

- Attend and participate in all Department meetings
- Contribute to multidisciplinary and student clinical education sessions
- Deliver Morbidity & Mortality Reviews and Journal Club Presentations
- Be familiar with The Australian Curriculum Framework for Junior Doctors

### QUALITY, SAFETY, RISK and IMPROVEMENT

- Maintain an understanding of individual responsibility for consumer safety, quality and risk and adhere to the relevant policies, procedures and guidelines
- Maintain a safe working environment for yourself, your colleagues and members of the public
- Identify, report and manage risks and ensure actions are taken to prevent and minimise harm to consumers and the GV Health workforce
- Contribute to organisational quality and safety initiatives
- Minimise the risk of infection to consumers, residents, employees, visitors, contractors and the general public
- Comply with requirements of the National Safety and Quality Health Service Standards and other relevant standards, regulations and legislative requirements.

### OTHER REQUIREMENTS FOR ALL CLINICAL EMPLOYEES:

- Where relevant collaborate with consumers and the community in the development, implementation and review of health service planning, policies and quality improvement activities
- Demonstrate sensitivity, empathy and respect for the customs, values and spiritual beliefs of others at all times
- Assist with the supervision of students where appropriate
- Understand and act in accordance with the GV Health Code of Conduct, values and relevant policies, procedures and guidelines
- Comply with the principles of Patient and Family Centred Care
- Promote GV Health as a quality regional health care provider

### KEY PERFORMANCE INDICATORS:

- Registration is maintained and working within scope of practice
- Attendance and active participation at meetings as required
- 100% compliance with core competencies and training requirements as outlined in the GV Health Education Framework
- Active participation in the Performance and Development review process
- Participate in the Rotational performance enhancement process and complete all mandatory and role specific competencies blue printed on the H-Prime E Learning Program.

### Other Position Requirements

Statements included in this position description are intended to reflect in general the duties and responsibilities of the position. It is not intended to be an exhaustive list of responsibilities, duties and skills required.

GV Health may alter the duties of this position description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).

### KEY SELECTION CRITERIA:

#### Mandatory

- Commitment to the GV Health Values of Compassion, Respect, Excellence, Accountability, Teamwork and Ethical Behaviour.
- Current registration with the Australian Health Practitioner Regulation Agency as a Medical Practitioner
