

Position Description

Position Title:	Occupational Therapist
Operationally Reports to:	Manager Ambulatory Aged Care Programs
Professionally Reports to:	Chief Allied Health Officer
Department:	Ambulatory Aged Care Program
Directorate:	Community Care and Mental Health
Cost centre:	F8506
Code & classification:	Occupational Therapist Grade 1 (VE9 – VF3)
Employment conditions:	Allied Health Professionals (Victorian Public Sector) (Single Interest Employers) Enterprise Agreement 2021 – 2026 and its successors, and GV Health Policies and Procedures (and as varied from time to time)

GV Health is an equal opportunity employer and continually strives to build a diverse, equitable and inclusive workforce that reflects our community. We encourage applications from people of all backgrounds.

Statements included in this position description are intended to reflect in general the duties and responsibilities of the position. It is not intended to be an exhaustive list of responsibilities, duties and skills required. GV Health may alter the duties of this position description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).

POSITION SUMMARY

The Grade 1 Occupational Therapist (OT) is integral to the multidisciplinary team providing services through the Ambulatory Aged Care Programs (AACP) at GV Health. The Grade 1 OT will provide comprehensive occupational therapy services to clients admitted to AACP. AACP consist of 3 programs: Transition care Program (TCP), Restorative Care Program (REST) and GEM in The Home (GITH).

The Transition care Program provides short term support and active management for older people at the interface of the acute/sub-acute and residential aged care sectors. It is goal oriented, time limited and targets older people at the conclusion of a hospital episode who require more time and support in a non-hospital environment to complete their restorative process optimise their functional capacity and finalise and access their longer term care arrangements.

Restorative Care Program provides short term support and active management to support people aged 50 years in completing their restorative process as part of the continuum of care. Clients in Restorative Care are admitted patients of GV Health while on this program.

GEM in The Home service is person focused and operates within an integrated service delivery model utilising interdisciplinary team based care with an emphasis on flexible service delivery in a range of care settings. The aim is to improve and maintain a person's functional capacity and maximise their independence.

The Grade 1 Occupational Therapist will provide assessment, treatment and discharge planning within the AACP multidisciplinary team.

The role may also be based at Graham Street Shepparton Campus or at the Community Health Building on Corio St dependent on opportunities for Grade 1 OT rotations. The areas of service could include Acute (Medical, Surgical, Paediatric, Emergency and Intensive Care units), Sub-acute (Rehab, Geriatric Evaluation and Management, and Palliative Care) and Community Health.

RESPONSIBILITIES AND DUTIES

The following duties are inclusive of but not limited to:

- Provide timely assessment, appropriate intervention and advice to clients admitted to AACP.
- Triage new referrals in a timely manner to optimise intervention.
- Provide coordinated care by working in a multidisciplinary team environment to ensure optimal and timely discharge home, transfer to other units or residential care.
- Provide timely and professional liaison with other therapists, care providers and families of clients where appropriate.
- Ensure consumers, families/representatives or carers are provided with timely information and are involved in decision making about their care planning and treatment.
- Evaluate patients physical, cognitive and social status via appropriate information gathering methods
- Plan and execute effective treatment programs to promote achievement of goals, independence and safe discharge planning
- Effectively work with Team Assistants (TA's) to achieve best possible outcomes for patients
- Engagement in quality improvement projects
- Participate in team meetings and actively maintain statistics.
- Maintain an understanding of individual responsibility for consumer safety, quality and risk and adhere to the relevant policies, procedures and guidelines.
- Maintain a safe working environment for yourself, your colleagues and members of the public.
- Adhere to the Home Visiting safety guidelines at GV Health and ensure that safety risks are addressed in the planning and conduct of all in-home and off campus service activities.

KEY SELECTION CRITERIA

Formal Qualification(s) and Required Registration(s):

- Current registration with AHPRA as an Occupational Therapist.
- Relevant tertiary qualification in Occupational Therapy.

Essential:

- Experience providing Occupational Therapy services in the community setting with knowledge of, and the ability to administer standardised assessments
- Sound knowledge of working with clients with a variety of medical and surgical presentations
- Demonstrated ability to work as an individual within a multidisciplinary team, including the ability to create and maintain effective professional relationships
- Proven organisational and time management skills with an ability to prioritise and manage a diverse caseload
- Sound interpersonal, written and verbal communication skills, including computer literacy and an ability to produce well written reports
- Demonstrated commitment to learning and professional development, including a positive attitude towards supervision and receiving feedback
- Satisfactory NDIS Worker Screening Check prior to commencement of employment

Desirable:

- Knowledge and/or experience of delivering services to individuals and families from Aboriginal and Torres Strait Islander backgrounds, people from culturally and linguistically diverse backgrounds, and also individuals from socially disadvantaged backgrounds
- Ability to demonstrate an understanding of how service delivery can be impacted by rural or regional location of clients and their families
- Experience working with frail older people, people with disabilities and their carers, and people living in rural communities.

KEY PERFORMANCE INDICATORS

Your performance will be measured through your successful:

- Demonstration of GV Health values and behaviours, being a role model for living the values, Compassion, Respect, Excellence, Accountability, Teamwork and Ethical Behaviour;
- Development and maintenance of collaborative relationships with all other teams and professionals;
- Promotion and enablement of efficient teamwork and service provision both within the department and/or organisation and with other service providers;
- Contribution to a safe working environment and ensure compliance with legislative requirements concerning Occupational Health and Safety, anti-discrimination, and equal opportunity;
