

Position Description

Position Title:	Consultant Psychiatrist, Adult Mental Health Program
Reports to:	Clinical Director – Adult Psychiatry & Divisional Clinical Director MH
Department:	Adult Mental Health
Directorate:	Community Care & Mental Health
Cost centre:	H0252
Code & classification:	Specialist Year 1 – 9 (HM33 - HM41) (depending on qualification and experience in this field)
Employment conditions:	Medical Specialists (Victorian Public Health Sector) (AMA Victoria/ASMOF) (Single Interest Employers) Enterprise Agreement 2022 – 2026 and its successors, and GV Health Policies and Procedures (and as varied from time to time)

GV Health is an equal opportunity employer and continually strives to build a diverse, equitable and inclusive workforce that reflects our community. We encourage applications from people of all backgrounds.

Statements included in this position description are intended to reflect in general the duties and responsibilities of the position. It is not intended to be an exhaustive list of responsibilities, duties and skills required. GV Health may alter the duties of this position description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).

POSITION SUMMARY

The Division and Team

Goulburn Valley Area Mental Health Service (GVAMHS) is GV Health's division of mental health and provides mental health services across the age span over a catchment area covering five local government areas of Moira, Greater Shepparton, Strathbogie, Mitchell and Murrindindi. The GVAMHS catchment area is shown below:

The GVAMHS Adult Program covers this area through an integrated team based at two sites in Shepparton and Seymour.

Lived Experience Workforce

GVAMHS has a dedicated Lived Experience Workforce strategy. GVAMHS appointed its first Consumer Consultant in 1998. It established a Consumer and Carer Advisory Council in 2001 to provide essential feedback into service delivery and development. GVAMHS employs Consumer Consultants, Carer Consultants and Peer Support Workers. The aim of Consumer Consultants is to provide opportunities for consumers to have input into the planning, development, delivery and evaluation of Mental Health Services. The uniqueness of Lived Experience roles is the recognition of its specialist knowledge and experience base. Carer Consultants assist and support families and carers of consumers using the mental health service. Peer Workers work alongside consumers to empower their decision making in their recovery journey. All Lived Experience Workers have had profound life – changing mental health challenges that have led to new life direction and concept of self or life – changing experiences while supporting someone with mental health challenges that have profoundly impacted their life / world view.

The Role

The Consultant Psychiatrist is responsible for clinical leadership within the Adult Mental Health Program to ensure that the consumers of the service receive treatment and care that is of the highest quality in a safe manner. Within the Adult Mental Health Program this role is across two community sites in Shepparton & Seymour, to provide treatment and care for adult consumers in a community setting. The key expectation for the role is to develop the teams to provide a high quality, integrated and seamless service to the consumers of GVAMHS. The Consultant Psychiatrist is expected to work in partnership with the Manager of the Adult Community Mental Health Program, the Nurse Unit Manager of Wanyarra, and the Manager (Wellways) Specialist Residential Rehabilitation Program (SRRP) and Prevention and Recovery Care (PARC). This will involve promoting relationships between the Adult Mental Health Program and other groups such as other departments in GV Health, Wellways, Victorian Legal Aid, Independent Mental Health Advocacy (IMHA) and other agencies. This position amongst others is responsible for promoting GV Health as a quality regional health service provider. The Consultant Psychiatrist will be responsible for supervision of RANZCP trainees and medical students of the University of Melbourne.

RESPONSIBILITIES AND DUTIES

The following duties are inclusive of but not limited to the following:

- Demonstrate a capacity to develop and lead a multidisciplinary treatment team.
- Take a lead role in the assessment and management of consumers in collaboration with other clinician and lived experience colleagues.
- Initiate and undertake, where appropriate, liaison with families, other care providers including relevant agencies, partners such as Wellways and legal representatives.
- Initiate and undertake, where appropriate, to develop a collaborative network between the various clinical programs of mental health services for adults with mental illness or psychological distress.
- Provide supervision to junior medical staff, including interns, residents and specialist trainee psychiatrists at GV Health.

- Ensure documentation pertaining to patients under your care, including those of interns and hospital medical officers under your supervision is maintained a high standard.
- Assist the organisation in achieving clinical effectiveness by providing the appropriate systems, information or services to clinical areas.
- Be familiar with health policy and legislation that applies to young people and their families and ensure the clinical team complies with them.
- Participate in on – call and / or ECT rosters
- Participate in the Continuing Professional Development program including a regular peer review as required by the Australian Health Practitioner Regulation Agency (AHPRA) and the Royal Australian & New Zealand College of Psychiatrists (RANZCP)
- Provide a high quality service to internal customers and consumers that reflects best practice and adds value to GV Health
- Assist the organisation in achieving clinical effectiveness by providing the appropriate systems, information or services to clinical areas

KEY SELECTION CRITERIA

Formal Qualification(s) and Required Registration(s):

Essential:

- Commitment to the GV Health Values of Compassion, Respect, Excellence, Accountability, Teamwork and Ethical Behaviour.
- Current registration with the Australian Health Practitioner Regulation Agency as a Psychiatrist
- Fellow of the Royal Australian & New Zealand College of Psychiatrists or equivalent.
- Excellent clinical skills and experience in providing psychiatric care to adults with mental health disorders.
- High level of knowledge of the Mental Health Act 2014 and in particular its application to community care.
- Demonstrated ability in the provision clinical leadership to the multidisciplinary team and to work effectively with multiple stakeholders and partnerships.
- Understanding of current mental health service delivery models and service evaluation approaches.
- Ability to participate in strategic and operational service planning relevant to adult mental health in GVAMHS.
- Highly developed interpersonal, written and oral communication and presentation skills and an ability to work flexibly and respond to the demands of the service as it evolves.
- Demonstrated experience in clinical teaching, supervision and research.

KEY PERFORMANCE INDICATORS

Your performance will be measured through your successful achievement of:

- Registration is maintained and working within scope of practice
- Attendance and active participation at meetings as required
- Demonstrate continuing professional development through publications, further study or scientific presentations in the area of their speciality

- 100% compliance with core competencies and training requirements as outlined in the GV Health Education Framework
