

Position Description

Position Title:	Grade 1 Physiotherapist (casual)
Reports to:	Physiotherapy Manager
Department:	Physiotherapy
Directorate:	Community Care & Mental Health
Cost centre:	N3002
Code & classification:	Physiotherapist Grade 1 Years 1 – 4 (VA3-VA7)
Employment conditions:	Allied Health Professionals (Victorian Public Health Sector) Single Interest Enterprise Agreement 2021-2026 and its successors and GV Health Policies and Procedures (and as varied from time to time)

GV Health is an equal opportunity employer and continually strives to build a diverse, equitable and inclusive workforce that reflects our community. We encourage applications from people of all backgrounds.

Statements included in this position description are intended to reflect in general the duties and responsibilities of the position. It is not intended to be an exhaustive list of responsibilities, duties and skills required. GV Health may alter the duties of this position description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).

POSITION SUMMARY

The Grade 1 Physiotherapist will function as a member of the multidisciplinary team and will be responsible for the delivery of high-quality physiotherapy care through applying clinical skills in the assessment, planning, implementation of treatment and management of patients/clients in their designated work area.

Grade 1 Physiotherapists may work across different areas as required including surgical, medical, critical care unit (CCU), emergency department, subacute (rehabilitation & GEM), outpatients, ambulatory aged care programs or across different areas providing leave cover.

The Physiotherapy Department provides comprehensive physiotherapy services to emergency, acute, and subacute inpatients, as well as to outpatients & community. Our physiotherapy services are patient focused, efficient and effective, consistently meeting established standards of excellence.

Our team always strives for continuous improvement, with ongoing evaluation of the quality and outcomes of physiotherapy intervention. This position amongst others is responsible for promoting GV Health as a quality regional health service provider.

The Physiotherapist will apply current evidence-based practice and develop effective methods of patient management, communication and information sharing with other services and health professionals. This position is supported by management and senior physiotherapists within the clinical areas for leadership, management and quality improvement.

RESPONSIBILITIES AND DUTIES

The following duties are inclusive of but not limited to

- Provision of physiotherapy services including assessment, treatment and management of patients, within an independent case load

- Effective discharge planning, care co-ordination, referral and education for patients and carers
 - Provision of advice and guidance for community and other providers regarding physiotherapy interventions
 - Attend relevant huddles, Daily Operating Systems (DOS), and handover meetings to represent the physiotherapy perspectives in patient care and discharge planning.
 - Participation in relevant team data collections & audits as required
 - Assisting with the supervision of student placements and allied health assistants
 - Participation in the rotational weekend & public holiday roster
 - Provide a high-quality service to internal customers and consumers that reflects best practice and adds value to GV Health.
 - Demonstrate appropriate clinical skills and capabilities at a grade 1 level
-

KEY SELECTION CRITERIA

Formal Qualification(s) and Required Registration(s):

- Bachelor of Physiotherapy or equivalent professional qualification
- Current registration with the Australian Health Practitioner Regulation Agency (AHPRA) as a Physiotherapist

Essential:

- At least 12 months Physiotherapy experience, ideally in a public hospital setting
 - Current registration with the Australian Health Practitioner Regulation Agency as a Physiotherapist
 - Sound understanding of physiotherapy practice in the inpatient and community setting, across a range of clinical areas including musculoskeletal, neurological, respiratory and geriatrics.
 - Sound communication and interpersonal skills including an ability to liaise with a wider range of internal and external providers at all levels
 - Demonstrated ability to work effectively within an inter-disciplinary team environment
 - Excellent organisational skills and an understanding of efficient time management
 - Willingness to participate in a positive manner in clinical supervision programs
 - Ability to work across weekends and/or public holidays as required
 - Ability and willingness to work effectively within a multidisciplinary team environment, including the ability to create and maintain effective professional relationships.
-

KEY PERFORMANCE INDICATORS

- AHPRA registration is maintained and working within scope of practice
 - Attendance and active participation at meetings as required
 - 100% compliance with core competencies and training requirements as outlined in the GV Health Education Framework
 - Adherence to the Australian Physiotherapy Council code of conduct
 - Deliver Physiotherapy services in line with established departmental guidelines and best practice, prioritising referrals based on clinical need.
 - Statistics are completed & submitted in a timely manner
-
