Statements included in this position description are intended to reflect in general the duties and responsibilities of the position. It is not intended to be an exhaustive list of responsibilities, duties and skills required. GV Health may alter the duties of this position description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).

POSITION SUMMARY

The Infant, Child and Youth Mental Health and Wellbeing Service (ICYMHS) Clinician will work in partnership with consumers, carers, families and other service providers to provide high quality mental health assessment, treatment and consultation services within a recovery-oriented framework. GV ICYMHS is responsible for providing tertiary level mental health care to children and young people under the age of 18 years.

The service has an ACT (Access Community Consultation and Brief Treatment) stream, responsible for intake, initial assessment, brief intervention and consultation services. The CARE team (Comprehensive Assessment and Recovery) provides evidence based mental health intervention and case management to a defined caseload of young people experiencing high risk or complex mental health conditions.

RESPONSIBILITIES AND DUTIES

The following duties are inclusive of but not limited to:

- Provision of advanced trauma informed mental health care practice in comprehensive developmental mental health assessment, formulation and individualized recovery planning.
- Provision of risk assessments, safety planning and crisis management plans, through engagement with the consumer, family and carers, and health, education and welfare networks
- Provide evidence based therapeutic interventions to complex, high risk consumers, their families and network of service providers.
- Liaison and consultation with partner health, welfare and education providers.

- Maintain accurate, contemporaneous, timely file notes and other clinical documentation and complete appropriate and timely service statistics.
 - Provide a high-quality service to internal customers and consumers that reflects best practice and adds value to GV Health
 - Assist the organisation in achieving clinical effectiveness by providing the appropriate systems, information or services to clinical areas
 - Provide supervision to students as required
-

KEY SELECTION CRITERIA

Formal Qualification(s) and Required Registration(s):

- Current registration with Australian Health Practitioner Regulation Agency as a Registered Nurse, Occupational Therapist, Psychologist.
- Registered Psychiatric Nurses must have: a post-graduate qualification or equivalent in mental health.
- Psychologists must have: current psychology registration with the Psychology Board of Australia.
- Occupational Therapists must be: eligible for registration with the Occupational Therapy Board of Australia.
- Social Workers must be: eligible for membership of the Australian Association of Social Workers (AASW).

Essential:

- Experience and expertise in the provision of assessment, treatment planning and intervention for people with a mental health disorder.
- Experience in working collaboratively with healthcare, welfare and education agencies to support people in addressing mental health concerns.
- Experience in the provision of mental health crisis assessments, risk assessments, safety planning and crisis management planning.
- High level of written and verbal communications.
- Demonstrated ability to work collaboratively with both internal and external health professionals and community agencies.

Desirable:

- Experience in working with children and adolescents in clinical mental health service provision.
-

KEY PERFORMANCE INDICATORS

Your performance will be measured through your successful:

- Demonstration of GV Health values and behaviours, being a role model for living the values, Compassion, Respect, Excellence, Accountability, Teamwork and Ethical Behaviour;
- Development and maintaining of collaborative relationships with all other teams and professionals;
- Promoting and enabling of efficient teamwork and service provision both within the department and/or organisation and with other service providers;

- Ability to contribute to a safe working environment and ensure compliance with legislative requirements concerning Occupational Health and Safety, anti-discrimination, and equal opportunity;
- Provision of care to a defined group of consumers, their family and networks.
- Engagement in clinical supervision.
- Collection and timely submission of required data.
- Registration is maintained and working within scope of practice.
- Attendance and active participation at meetings as required.
- 100% compliance with core competencies and training requirements as outlined in the GV Health Education Framework.
