GV Health is an equal opportunity employer and continually strives to build a diverse, equitable and inclusive workforce that reflects our community. We encourage applications from people of all backgrounds.

Statements included in this position description are intended to reflect in general the duties and responsibilities of the position. It is not intended to be an exhaustive list of responsibilities, duties and skills required. GV Health may alter the duties of this position description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).

POSITION SUMMARY

The Registered Psychiatric Nurse Grade 2 is responsible for the safe provision of clinical care within Wanyarra under the direction of the Associate Nurse Unit Manager. The position requires knowledge of psychiatric principles and practices as within their scope of practice including decision making ability and initiative as part of an operational team member. This position may be required to undertake coverage of the Associate Nurse Unit in their absence.

RESPONSIBILITIES AND DUTIES

The following duties are inclusive of but not limited to the following:

- Work rotating roster
- Provision of mental state examination and risk assessment and formulation of interventions and therapies
- Working through the continuum of care with a consumer-focused approach and including other key stakeholders inclusive of recovery orientated plans and assistance with discharge planning
- Work under the direction of the ANUM to promote improved health outcomes with a focus on reducing restrictive interventions
- Assist in the supervision and support of junior staff members and students
- Assist with ECT as directed by the ANUM
- Work within the broader service system to assist consumers through the pathway of care
- Provide a high-quality service to internal customers and consumers that reflects best practice and adds value to GV Health
- Assist the organisation in achieving clinical effectiveness by providing the appropriate systems, information or services to clinical areas
- Escalate and report accordingly to ANUM

- Work within current legislative requirement and standards
- Provide a high-quality service to internal customers and consumers that reflects best practice and adds value to GV Health
- Assist the organisation in achieving clinical effectiveness by providing the appropriate systems, information or services to clinical areas

KEY SELECTION CRITERIA

Formal Qualification(s) and Required Registration(s):

- Current registration with the Australian Health Practitioner Regulation Agency as a Registered Nurse

Essential:

- Current registration with the Australian Health Practitioner Regulation Agency as a Registered Nurse
- Self-motivated with high level of communication both written and verbal including computer literacy
