POSITION SUMMARY

Victorian Paediatric Rehabilitation Service-Goulburn Valley (VPRS–GV) is part of the Victorian Paediatric Rehabilitation Service (VPRS) state wide service. The VPRS vision is to ensure Victorian children requiring specialist rehabilitation are able to access the level of service they require, at the right time, in the most appropriate location, as close to home as possible. The VPRS-GV is based at Goulburn Valley Health in Shepparton, but provides services across the Hume region and into southern NSW, greatly increasing the opportunity for access to specialist paediatric rehabilitation services for children and adolescents in these areas.

The Psychologist provides best practice assessment and therapeutic intervention in relation to behavioural, emotional and social problems that arise for VPRS clients and their families. Within the interdisciplinary team context, the Psychologist provides expertise regarding psychological issues in collaborative planning of interventions for clients.

RESPONSIBILITIES AND DUTIES

The following duties are inclusive of but not limited to the following:

- Undertake psychological assessments and provide psychological care of clients presenting to the service.
- Develop treatment goals and plans in conjunction with the client, family and other team members, and where appropriate focussing on maximising participation in everyday activities and opportunities.
- Implement treatment strategies according to an interdisciplinary approach, consistent with currently accepted professional standards and evidence-based practice, whilst encouraging the involvement of the client's family.

- Liaise and interact with community providers to facilitate a smooth transition to community-based care whilst ensuring that these providers remain supported where necessary.
- Contribute to the development of an interdisciplinary training model that promotes the benefits of team-based assessment and problem solving.
- Provide education for patients and their families.
- Perform home and community facility visits to provide direct service and assist other clinicians.
- Act as a clinical resource to healthcare professionals within and outside the hospital, delivering high-level specialist advice, support and education on paediatric rehabilitation.
- Participate in discipline-specific training and professional development activities to ensure that best clinical practise is maintained.
- Participate in in-services and other educational activities conducted by VPRS for other Goulburn Valley Health staff and external clinicians.
- Actively participate in performance development program by participating in annual performance appraisals.
- Foster a relationship which ensures expertise flows between VPRS GV and other VPRS providers.
- Assist the organisation in achieving clinical effectiveness by providing the appropriate systems, information or services to clinical areas.
- Provide a high-quality service to internal customers and consumers that reflects best practice and adds value to GV Health.
