

Position Description

Position Title: Exercise Physiologist - Grade 1

Reports to: Manager - HIP Rehabilitation Services
Department: Community Rehabilitation Centre
Directorate: Community Care and Mental Health

Cost centre: F0752

Code & classification: Grade 1 (EP61 – EP65)

Employment conditions: Allied Health Professionals (Victorian Public Health Sector) Single

Interest Enterprise Agreement 2021-2026 and its successors and GV Health Policies and Procedures (and as varied from time to time)

GV Health is an equal opportunity employer and continually strives to build a diverse, equitable and inclusive workforce that reflects our community. We encourage applications from people of all backgrounds.

Statements included in this position description are intended to reflect in general the duties and responsibilities of the position. It is not intended to be an exhaustive list of responsibilities, duties and skills required. GV Health may alter the duties of this position description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).

POSITION SUMMARY

The Grade 1 Exercise Physiologist (EP) is a position within the Community Rehabilitation Centre (CRC) at Goulburn Valley Health (GV Health) and reports to the Manger - HIP Rehabilitation Services.

The EP will work as a member of the multidisciplinary team and be responsible for the planning, implementation, coordination, and delivery of high-quality exercise physiology services to CRC patients. This role involves patient assessment, goal setting, individualised care plan development, education and rehabilitation. The EP is responsible for the provision of individual and group-based therapy that is evidence informed, patient-centred and ensures optimal health outcomes. This role also holds shared responsibility for rehabilitation programs that include cardiac rehabilitation, pulmonary rehabilitation and the cancer wellness program.

CRC is an episodic, goal-orientated and time-limited service that promotes health independence and minimises unplanned hospital admissions. CRC rehabilitation services are centre based, and as indicated may infrequently include input at a patient's home.

Alongside other team members, the EP plays a key role in promoting GV health as a leading regional health service provider.

RESPONSIBILITIES AND DUTIES

The following duties are inclusive of but not limited to

- Work independently, and as part of the multidisciplinary team, ensuring patient-centred, evidence based and high-quality care within available resources
- Provide high quality clinical assessment, treatment and management of patients requiring EP services
- Develop, implement, and coordinate group and individual rehabilitation programs

- Support Grade 2 Exercise Physiologist in conducting student placements
- Continuously monitor, evaluate and develop rehabilitation services/programs to align with best practice and guidelines
- Active participation in quality assurance and improvement initiatives
- Active participation in communication processes including team meetings, monthly 1:1 meetings, clinical supervision, and CRC case conference
- Active participation in professional development as per registration requirements
- · Participation in clinical personal and peer education opportunities, including in-services as required
- Adherence to GV Health and CRC department guidelines, processes and procedures
- Maintain professional competency and capability in line with a Grade 2 Exercise Physiologist
- Effective and efficient use of clinical time
- Maintain accurate clinical data and documentation

KEY SELECTION CRITERIA

Formal Qualification(s) and Required Registration(s):

- NUCAP accredited Exercise & Sports Science degree
- Current registration with Exercise and Sport Science Australia as an accredited Exercise Physiologist

Essential:

- Sound understanding of Exercise Physiology models of care across the care continuum within public health
- Appropriate knowledge and experience working independently, and as part of a multidisciplinary team in the provision of Exercise Physiologist/rehabilitation services
- Some experience coordinating, implementing and developing group rehabilitation and education programs
- Some experience in giving direction to Allied Health Assistant staff to meet service and program requirements
- Understanding of and/or demonstrated experience participating in clinical supervision
- Excellent interpersonal, written and verbal communication skills, including the ability to liaise with a wide range of internal and external patients/carers/service providers
- Current Victorian driver's licence

KEY PERFORMANCE INDICATORS

Your performance will be measured through your successful:

- Demonstration of GV Health values and behaviours, being a role model for living the values,
 Compassion, Respect, Excellence, Accountability, Teamwork and Ethical Behaviour;
- Development and maintaining of collaborative relationships with all other teams and professionals;
- Promoting and enabling of efficient teamwork and service provision both within the department and/or organisation and with other service providers;
- Ability to contribute to a safe working environment and ensure compliance with legislative requirements concerning Occupational Health and Safety, anti-discrimination, and equal opportunity;
- Maintain professional registration and working within the defined scope of practice

- Deliver EP services in accordance with established departmental guidelines and best practice principles

All staff are required to comply with all safety related training, look after the safety and well-being of themselves and each other, and actively foster a safe working environment.

ACCEPTANCE:

I acknowledge and accept that this Position Description represents the general outline of duties, responsibilities and accountabilities that are expected of me in my employment in the position, and may not encompass every aspect of the position. I understand that the GV Health reserves the right to modify position descriptions as required, however I will be consulted when this occurs.

I acknowledge and accept that I must complete and maintain all relevant pre-employment screening and checks for successful employment.

I acknowledge and accept that I have read and fully understand this Position Description. I agree that I have the ability to fulfil the inherent requirements of the position, and accept my role in fulfilling the responsibilities, activities, duties and generic position requirements.

I acknowledge I will be required to undertake the duties as set out in the position description (and any other duties as requested in accordance with my skills and experience) to the best of my ability and, at all times follow lawful direction.

By accepting the contract of employment, I am agreeing to duties and obligations within the Position Description.
