

Position Description

Position Title:	Enrolled Nurse
Reports to:	Nurse Unit Manager - Tatura
Department:	Tatura Campus
Directorate:	Clinical Operations
Cost centre:	A0353
Code & classification:	Enrolled Nurse, Level 2 (IB66 - IB72; IB82 – IB88; IB92 – IB99)
Employment conditions:	Nurses and Midwives (Victorian Public Health Sector) (Single Interest Employers) Enterprise Agreement 2024-2028 and GV Health Policies and Procedures (and as varied from time to time)

GV Health is an equal opportunity employer and continually strives to build a diverse, equitable and inclusive workforce that reflects our community. We encourage applications from people of all backgrounds.

Statements included in this position description are intended to reflect in general the duties and responsibilities of the position. It is not intended to be an exhaustive list of responsibilities, duties and skills required. GV Health may alter the duties of this position description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).

POSITION SUMMARY

The Enrolled Nurse is responsible for providing and coordinating all aspects of quality client focused care to patients and residents of Tatura Hospital and Parkvilla Aged Care facility. The Enrolled Nurse is required to demonstrate effective time management, ability to work in a multidisciplinary team and provide person centred care involving patient/residents/representative or families. The Enrolled Nurse must be able to identify the early signs of patient/resident deterioration and ensure that the appropriate process is followed in escalation of care.

The position will involve collaboration with the Nurse Unit Manager, Nurse in Charge, and Enrolled Nursing staff. This role also requires liaison with medical practitioners and allied health staff. This position among others is responsible for promoting GV Health as a quality regional health service provider

RESPONSIBILITIES AND DUTIES

The following duties are inclusive of but not limited to the following:

- Work within a team offering quality consumer/resident/client focussed care
- Provide high level communication skills that include: interpersonal, verbal, written, computer and ability to work cohesively as an active member of the team
- Maintain accurate and current clinical records ensuring documentation meets professional and legal standards
- Ensure that all relevant hospital documentation is completed in a timely manner
- Ensure that quality and standards of patient care are met

- Ensure that the unit/department is customer service focused
- Liaise with staff, patients and residents
- Maintain effective open channels of communication with patients/clients, hospital visitors, nursing colleagues, the multi-disciplinary health care team and the affiliated tertiary institutions
- Acts as a professional role model for inexperienced and other staff
- Provide a high-quality service to internal customers and consumers that reflects best practice and adds value to GV Health
- Assist the organisation in achieving clinical effectiveness by providing the appropriate systems, information or services to clinical areas

KEY SELECTION CRITERIA

Formal Qualification(s) and Required Registration(s):

- Current registration with the Australian Health Practitioner Regulation Agency as an Enrolled Nurse

Essential:

- Demonstrated ability to provide safe and high-quality clinical care within scope of practice
- Self-motivated with a positive attitude and a high level of communication
- Demonstrated ability to work under instruction with minimal supervision within a multidisciplinary team
- Proven organisation and time management skills with the ability to prioritise workloads
- Knowledge of current statutory requirements including relevant awards and OH&S
- Experience in medication management

Desirable:

- Previous experience in aged and acute care

KEY PERFORMANCE INDICATORS

Your performance will be measured through your successful achievement of:

- Demonstrating of GV Health CREATE values and behaviours and being a role model for living the values of Compassion, Respect, Excellence, Accountability, Teamwork and Ethical Behaviour;
- Registration is maintained and working within scope of practice
- Attendance and active participation at meetings as required
- 100% compliance with core competencies and training requirements as outlined in the GV Health Education Framework
- Active participation in the Performance and Development review process

ALL GV HEALTH STAFF ARE REQUIRED TO

- Demonstrate GV Health's CREATE values and behaviours and being a role model for living the values of Compassion, Respect, Excellence, Accountability, Teamwork and Ethical Behaviour;

- Maintain an understanding of individual responsibility for consumer safety, quality and risk and adhere to the relevant policies, procedures and guidelines;
- Develop and maintain collaborative relationships with all other teams and professionals;
- Promote and enable efficient teamwork and service provision both within the department and/or organisation and with other service providers;
- Contribute to a safe working environment and ensure compliance with legislative requirements concerning Occupational Health and Safety, anti-discrimination, and equal opportunity;
- Identify, report and manage risks and ensure actions are taken to prevent and minimise harm to consumers and the GV Health workforce;
- Contribute to organisational quality and safety initiatives;
- Observe and comply with child safe principles, standards and expectations of appropriate behaviour toward and in the company of children;
- Complete and maintain all mandatory training requirements as defined by GV Health and actively engage in the Performance Development Review process;
- Minimise the risk of infection to consumers, residents, employees, visitors, contractors and the general public;
- Comply with requirements of the National Safety and Quality Health Service Standards and other relevant standards, regulations and legislative requirements;
- Comply with the principles of patient and family centred care;
- Not smoke or vape on GV Health premises;
- Comply with immunisation requirements as per the Victorian Department of Health Victoria;
- Comply with all applicable position pre-employment checks that are relevant to the role, which may include but is not limited to; police checks, Working with Children's Check (WWCC), National Disability Insurance Scheme (NDIS) and Aged Care screening requirements;
- In this role you may occasionally interact with distressed, anxious or upset consumers or members of the public. GV Health is committed to the physical and psychosocial safety of our staff. All staff are required to comply with all safety related training, look after the safety and well-being of themselves and each other, and actively foster a safe working environment.

ACCEPTANCE:

I acknowledge and accept that this Position Description represents the general outline of duties, responsibilities and accountabilities that are expected of me in my employment in the position, and may not encompass every aspect of the position. I understand that GV Health reserves the right to modify position descriptions as required, however I will be consulted when this occurs.

I acknowledge and accept that I must complete and maintain all relevant pre-employment screening and checks for successful employment.

I acknowledge and accept that that I have read and fully understand this Position Description. I agree that I have the ability to fulfil the inherent requirements of the position, and accept my role in fulfilling the responsibilities, activities, duties and generic position requirements.

I acknowledge I will be required to undertake the duties as set out in the position description (and any other duties as requested in accordance with my skills and experience) to the best of my ability and, at all times follow lawful direction.

By accepting the contract of employment, I am agreeing to duties and obligations within the Position Description.
