---

**GV Health is an equal opportunity employer and continually strives to build a diverse, equitable and inclusive workforce that reflects our community. We encourage applications from people of all backgrounds.**

Statements included in this position description are intended to reflect in general the duties and responsibilities of the position. It is not intended to be an exhaustive list of responsibilities, duties and skills required. GV Health may alter the duties of this position description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).

---

## POSITION SUMMARY

The Grade 1 speech pathologist, based in the Speech Pathology Department, will function as an active member of the multidisciplinary team. The Grade 1 speech pathologist is responsible for providing high quality patient care in the acute and sub-acute inpatient clinical settings, Emergency Department, outpatients and/or outreach as required. The caseload will require competent clinical skills in the assessment, diagnosis, planning, intervention and management of swallowing and communication impairments.

As a member of the speech pathology team, the Grade 1 speech pathologist will be required to assess, plan, recommend and implement a wide range of speech pathology services to inpatients recovering from trauma, surgery, acute illness, neurological deficits and others as required. Current evidence-based practice will be utilised to develop effective methods of management, communication and information sharing with other team members and service providers.

This position, amongst others, is responsible for promoting GV Health as a quality regional health service provider.

---

## RESPONSIBILITIES AND DUTIES

**The following duties are inclusive of but not limited to:**

- Provide timely assessment, appropriate intervention and advice to inpatients admitted with a variety of medical conditions
- Triage new referrals in a timely manner to optimise intervention
- Provide coordinated care by working in a multidisciplinary team environment to ensure optimal and timely discharge home, transfer to other units or residential care

- Provide timely and professional liaison with other therapists, care providers and families of patients where appropriate
- Communicate any issues with the grade 2 speech pathologist and/or the manager speech pathology as they arise, and use collaborative, problem-solving methods to provide solutions to any such issues
- Participate in team meetings and actively maintain and monitor statistics to be able to provide up-to-date information to the manager speech pathology as required
- Provide a high-quality service to internal customers and consumers that reflects best practice and adds value to GV Health
- Assist the organisation in achieving clinical effectiveness by providing the appropriate systems, information or services to clinical areas
- Participate in the weekend and public holiday speech pathology roster, as required

---

## **KEY SELECTION CRITERIA**

### **Formal Qualification(s) and Required Registration(s):**

- Approved tertiary qualification in Speech Pathology
- Eligibility for Certified Practicing membership of Speech Pathology Australia must be demonstrated and maintained in accordance with GV Health credentialing procedures.

### **Essential:**

- Entry level competency in the speech pathology management of patients with acquired and progressive disorders of communication and swallowing in a hospital setting.
- Demonstrated interpersonal skills incorporating excellent communication, clinical reasoning, organisational and negotiation skills.
- Excellent time management skills and a high degree of flexibility.
- Demonstrated ability to work as an individual within a multidisciplinary team, including the ability to create and maintain effective professional relationships.

### **Desirable:**

- Minimum 1 year experience working as a Grade 1 Clinician
- Experience in conducting videofluoroscopy assessment

---

## **KEY PERFORMANCE INDICATORS**

### **Your performance will be measured through your successful:**

- Adherence to Speech Pathology Australia's Code of Ethics and working within Scope of Practice at all times
- Delivering speech pathology services in line with established departmental guidelines and best practice
- Active participation in organisational projects, working groups and other team meetings as required
- Maintaining 100% compliance with core competencies and training requirements as outlined in the GV Health Education Framework
- Active participation in the Performance and Development review process
- Completion of ABC data reporting or other statistical measures within agreed timeframes

- Completion of correspondence to service providers to communicate client plans and outcomes in a timely manner.

---

#### **AT GV HEALTH ALL STAFF ARE REQUIRED TO**

- Demonstrate GV Health values and behaviours, being a role model for living the values, Compassion, Respect, Excellence, Accountability, Teamwork and Ethical Behaviour;
- Maintain an understanding of individual responsibility for consumer safety, quality and risk and adhere to the relevant policies, procedures and guidelines;
- Development and maintaining of collaborative relationships with all other teams and professionals;
- This role may from time to time deal with distress, anxious or upset consumers or members of the public. GV Health is committed to the physical and psychosocial safety of our staff. GV Health staff are required to comply with all safety related training, look after the safety and well-being of themselves and each other, and actively foster a safe working environment;
- Maintain a safe working environment for yourself, your colleagues and members of the public;
- Identify, report and manage risks and ensure actions are taken to prevent and minimise harm to consumers and the GV Health workforce;
- Contribute to organisational quality and safety initiatives;
- Observe and comply with child safe principles, standards and expectations of appropriate behaviour toward and in the company of children;
- Complete the mandatory training requirements as defined by GV Health and actively engage in the Performance Development Review process;
