**GV Health is an equal opportunity employer and continually strives to build a diverse, equitable and inclusive workforce that reflects our community. We encourage applications from people of all backgrounds.**

Statements included in this position description are intended to reflect in general the duties and responsibilities of the position. It is not intended to be an exhaustive list of responsibilities, duties and skills required. GV Health may alter the duties of this position description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).

---

## POSITION SUMMARY

Customer Service Officers (CSO's) are an integral part of GV Health and provide valuable administrative and clerical support across the organisation. In the Emergency department, the Customer Service Officer is a vital member of the Emergency Department team.

The Customer Service Officer performs a wide range of administrative support tasks related to the efficient functioning of the Emergency Department (ED) and the Short Stay Observation Unit (SOU). The Emergency Department Customer Service Officer has responsibilities for the co-ordination of communication, registration and transfer of patients, clerical functions at Triage and in the main department, ensuring the Vital database is kept up to date and accurate and other duties as required. The Customer Service Officer may also be required to provide administrative support to other areas within GV Health at the discretion of the Manager, Health Information Service (HIS).

The primary goal of the Customer Service Officer - Emergency Department is to ensure patients are registered appropriately, paperwork is available for treatment and good customer relations are maintained with patients, visitors, and other hospital staff. All staff at GV Health at some stage will be required to assist in the training of new staff members. This will aid in the continuity of service within GV Health.

It is essential the Customer Service Officer is aware that the roster for this position is a 24 hour, 7 day rolling roster. Staff will be rostered to work weekends and public holidays and should be available to assist in covering leave.

This position amongst others is responsible for promoting Goulburn Valley Health as a quality regional health service provider.

---

## RESPONSIBILITIES AND DUTIES

The following duties are inclusive of but not limited to the following:

- Assist in the effective running and co-ordination of clerical support functions in the Emergency Department and the Emergency Medical Unit.
- Ensure all patients are registered in a timely manner and that all data is up to date and checked at every presentation.
- Liaise with nursing and medical staff to ensure patient episode data accurately reflects the times the patient was in the Emergency Department
- Ensure every patient is given copies of relevant documentation – as prescribed by hospital policy. This includes but is not limited to the Patient Right's Charter
- Maintain appropriate levels of administrative and clerical supplies within the ward
- Ensure all completed paperwork is returned to Health Information Service (HIS) in a timely manner
- Liaise with HIS staff and clinical staff regarding incomplete or deficient paperwork

---

## KEY SELECTION CRITERIA

### Essential:

- Demonstrated ability to organise tasks and environment with minimal supervision and under conditions of competing demands
- Demonstrated experience of working with computer systems
- Previous experience in a customer service role
- Ability to work effectively as part of a team and to be flexible within a multi-disciplinary team environment
- Ability to be courteous and demonstrate respectful behaviour in all interpersonal interactions
- Capacity to interact professionally with staff and consumers and maintain high levels of confidentiality and patient privacy

### Desirable:

- Minimum Certificate III in Business Administration or equivalent
- Experience using a computerised patient management system (e.g. VITAL)
- Experience in an Emergency Department
- Familiarity with medical terminology

---
