

Position Description

Position Title:	Senior Speech Pathologist – Neurodevelopmental Psychiatry Clinic
Reports to:	Manager - Infant Child and Youth Mental Health and Wellbeing Service
Department:	Infant Child and Youth Mental Health and Wellbeing Service
Directorate:	Community Care and Mental Health
Cost centre:	H0503
Code & classification:	Senior Speech Pathologist Year 1 – 4 (YB51 - YB54)
Employment conditions:	Victorian Public Mental Health Services Enterprise Agreement 2020 – 2024 and its successors, and GV Health Policies and Procedures (and as varied from time to time)

GV Health is an equal opportunity employer and continually strives to build a diverse, equitable and inclusive workforce that reflects our community. We encourage applications from people of all backgrounds.

Statements included in this position description are intended to reflect in general the duties and responsibilities of the position. It is not intended to be an exhaustive list of responsibilities, duties and skills required. GV Health may alter the duties of this position description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).

POSITION SUMMARY

The Senior Speech Pathologist will be based in Neurodevelopmental Psychiatry Clinic (NPC), and reports to the Infant Child and Youth Mental Health and Wellbeing Service (ICYMHS) Manager. The NPC is responsible for the assessment of children under 25 years of age presenting with Neurodevelopmental related problems, predominantly Autism. The Senior Speech Pathologist will be responsible for assisting the NPC Coordinator to screen referrals, participate in multi-disciplinary assessments, provide high quality reports and recommendations and provide speech pathology specific assessments.

RESPONSIBILITIES AND DUTIES

The following duties are inclusive of but not limited to:

- Provide screening and prioritisation of referrals
- Work collaboratively with other clinical disciplines to provide high quality multi-disciplinary assessments and follow up care where necessary.
- Provide high quality reports and recommendations about management of clients with Neurodevelopmental related disorders.
- Provide speech pathology specific assessments as required.
- Provide consultation to clinicians, both internally in ICYMHS and externally.
- Participate in community program development, training, consultation and education to enhance understanding of assessment and management of children with Autism Spectrum Disorder.
- Provide a high-quality service to internal customers and consumers that reflects best practice and adds value to GV Health.
- Assist the organisation in achieving clinical effectiveness by providing the appropriate systems, information or services to clinical areas
- Provide supervision to speech pathology students and clinicians as required

KEY SELECTION CRITERIA

Formal Qualification(s) and Required Registration(s):

- Current registration with Speech Pathology Australia as a Speech Pathologist

Essential:

- Knowledge and aptitude in the field of Neurodevelopmental Disorders, and in particular Autism Spectrum Disorder.
- Experience or willingness to learn about working with children and families with mental illness.
- Sound knowledge of child development, with particular emphasis on communication skills.
- Expertise in the provision of Speech Pathology assessments.
- High level of written and verbal communications.
- Demonstrated ability to work collaboratively with both internal and external health professionals and community agencies.

Desirable:

- Training and experience in the provision of Autism specific assessments.

KEY PERFORMANCE INDICATORS

Your performance will be measured through your successful:

- Demonstration of GV Health values and behaviours, being a role model for living the values, Compassion, Respect, Excellence, Accountability, Teamwork and Ethical Behaviour;
- Development and maintaining of collaborative relationships with all other teams and professionals;
- Promoting and enabling of efficient teamwork and service provision both within the department and/or organisation and with other service providers;
- Ability to contribute to a safe working environment and ensure compliance with legislative requirements concerning Occupational Health and Safety, anti-discrimination, and equal opportunity;
- Participation in scheduled multidisciplinary assessments in the Neurodevelopmental Psychiatry Clinic.
- Completion of NPC diagnostic reports.
- Completion of Speech Pathology assessments.
- Collection and timely submission of required data.
- Registration is maintained and working within scope of practice.
- Attendance and active participation at meetings as required.
- 100% compliance with core competencies and training requirements as outlined in the GV Health Education Framework.
- Active participation in the Performance and Development review process

AT GV HEALTH ALL STAFF ARE REQUIRED TO

- Demonstration of GV Health values and behaviours, being a role model for living the values, Compassion, Respect, Excellence, Accountability, Teamwork and Ethical Behaviour;
 - Maintain an understanding of individual responsibility for consumer safety, quality and risk and adhere to the relevant policies, procedures and guidelines;
 - Development and maintaining of collaborative relationships with all other teams and professionals;
 - This role may from time to time deal with distress, anxious or upset consumers or members of the public. GV Health is committed to the physical and psychosocial safety of our staff. GV Health staff are required to comply with all safety related training, look after the safety and well-being of themselves and each other, and actively foster a safe working environment;
 - Maintain a safe working environment for yourself, your colleagues and members of the public;
 - Identify, report and manage risks and ensure actions are taken to prevent and minimise harm to consumers and the GV Health workforce;
 - Contribute to organisational quality and safety initiatives;
 - Observe and comply with child safe principles, standards and expectations of appropriate behaviour toward and in the company of children;
 - Complete the mandatory training requirements as defined by GV Health and actively engage in the Performance Development Review process;
 - Minimise the risk of infection to consumers, residents, employees, visitors, contractors and the general public;
 - Seek internal customer or consumer feedback and respond accordingly to identify areas of needs;
 - Comply with requirement of National Safety and Quality Health Service Standards and other relevant standards, regulations and legislative requirements;
 - Comply with the principles of patient and family centred care;
 - Not smoke or vape on GV Health premises;
