Statements included in this position description are intended to reflect in general the duties and responsibilities of the position. It is not intended to be an exhaustive list of responsibilities, duties and skills required. GV Health may alter the duties of this position description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).

POSITION SUMMARY

Provide support to the Clinical Director of the department, for day to day patient management, and ultimately to the Chief Medical Officer, or in his absence, his appointed Deputy.

RESPONSIBILITIES AND DUTIES

The following duties are inclusive of but not limited to

- Direct responsibility is to the Clinical Director of the Department under the supervision of the Supervising Consultant and/or Registrar.
- The Intern positions will consolidate knowledge with practical experience and development of confidence and decision-making.
- To provide day-to day clinical management of medical patients under the care and direction of the Clinical Director of the Department, Supervising Consultant and/or Registrar.

Teaching

- Attendance at Department meetings.
- Participation in journal presentations and lectures.
- To be familiar with The Australian Curriculum Framework for Junior Doctors, which is an educational template outlining the learning outcomes required of prevocational doctors, to be achieved through their clinical rotations, education programs and individual learning, in order to promote safe, quality health care.
- Provide high quality service to internal customers and consumers that reflects best practice and adds value to GV Health.

- Assist the organisation in achieving clinical effectiveness by providing the appropriate systems, information or services to clinical areas.

Provide quality and safe clinical care for consumers

- Ensure consumers, families/representatives or carers are provided with timely information and are involved in decision making about their care planning and treatment.
- Accept accountability for own actions and seek guidance when a situation exceeds experience and/or knowledge.
- Uphold and protect consumer rights, maintain strict confidentiality and continually practice to the principles of open disclosure.
- Comply with best practice healthcare standards, legislation, and GV Health's Clinical Governance Framework and clinical practice guidelines.
- Consumer feedback and complaints are responded to appropriately to ensure that issues are resolved and quality and safe clinical care is provided.
- Maintain accurate and current clinical records ensuring documentation meets professional and legal standards.
- Promptly report vital consumer observations that are outside the normal range as per clinical guidelines.
- Ensure an effective discharge from hospital or services that reflects the needs of the consumer.

Develop and maintain collaborative relationships with all disciplines

- Collaborate and communicate with all members of the health care team to achieve desired consumer outcomes.
- Respect the decisions and actions of others.
- Contribute to interdisciplinary team meetings and clinical education sessions to facilitate consumer care goals.

Support and participate in evidence-based programs to evaluate and improve the quality of consumer care and outcomes

- Maintain current knowledge of clinical practice.
- Actively participate in identifying where improvements can be made to the quality of consumer care.
- Participate in clinical audits, research, process redesign and accreditation against healthcare standards to ensure ongoing clinical practice improvement and the quality of consumer care.

Commit to ongoing professional development of self, other employees and the profession

- Maintain and demonstrate regulated clinical skills and competencies by undertaking professional development and completing mandatory training as defined by GV Health.
- Undertake credentialing and review of scope of practice and work within these.
- Improve performance by seeking feedback, setting goals and participating in annual performance reviews.
- Support the development of others by acting as a resource to colleagues and participating in orientation and preceptoring of new employees and supervising students.
- Provision of appropriate supervision to less experienced clinical employees.

- Participate in committees and professional groups and disseminate relevant information to other health care professionals.
-
