

Position Description

Position Title:	Community Interlink Care Manager and NDIS Support Coordinator
Reports to:	Program Manager
Department:	Community Interlink
Directorate:	Community Care & Mental Health
Cost centre:	(J7052)
Code & classification:	Community Development Worker Class 2A, Year 7 – Year 11 (XV16 – ON14)
Employment conditions:	Allied Health Professionals (Victorian Public Sector) (Single Interest Employers) Enterprise Agreement 2021 - 2026 and its successors, and GV Health Policies and Procedures (and as varied from time to time)

GV Health is an equal opportunity employer and continually strives to build a diverse, equitable and inclusive workforce that reflects our community. We encourage applications from people of all backgrounds.

Statements included in this position description are intended to reflect in general the duties and responsibilities of the position. It is not intended to be an exhaustive list of responsibilities, duties and skills required. GV Health may alter the duties of this position description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).

POSITION SUMMARY

Community Interlink provides access to support services for frail older people, people with disabilities and their carers. Funding is received from both State and Commonwealth Governments through Support at Home Packages (SAH), Commonwealth Home Support Program (CHSP), the National Disability Insurance Agency. This funding is used to provide in home supports for consumers to maintain safety, choice, dignity and independence in their home for as long as possible.

This position is a key role within the Community Interlink team supporting Aged Care recipients and providing Support Coordination to NDIS participants. The role reports to the Community Interlink Program Manager.

This position will support a number of NDIS and Aged Care consumers. The role is to work with the consumer and their family members to understand how they can be supported through the utilisation of allocated funds. This is achieved through a process of assessment and interaction with the person to identify where they require support and how their funds can be used within the program guidelines.

The following are a major part of this role:

- Screening and Intake
- Assessment and Evaluation
- Regular monitoring and review
- Risk evaluation
- Planning and establishing goals
- Implementation of the Care Plan
- Quality review of services and providers
- Reporting and administration requirements

RESPONSIBILITIES AND DUTIES

The following duties are inclusive of but not limited to

- Operating with responsibility and accountability, in accordance with the Department of Health funding guidelines, Strengthened Aged Care Quality Standards, NDIS practice standards, Community Interlink Staff manual and relevant Codes of Conduct
- Supporting both current and new Aged Care funded recipients and NDIS participants to understand and utilise their funding to maintain safety and independence in their homes, as per the funding guidelines
- Developing Care Plans using assessment tools and collaboration with the person and their selected representatives to create consumer goals
- Liaison with clients and/or their carers, in a culturally sensitive and responsive manner
- Co-working and providing daily support to the Community Interlink Team
- Support consumers to understand how their funds can be used through clear communication and provision of information
- Monitoring client services to ensure they are linked to the consumers care plan and are sustainable.
- Helping consumers to understand their consumer statements
- Assist NDIS participants to engage with services that align with their participant plan goals
- Perform regular client assessments to identify areas of potential risk to the consumer and where services are required to assist.
- Monitor the progress of clients against their goals and identify when care needs change.
- Provide administrative functions necessary to support best practice in the delivery of services that comply with the Community Interlink Staff Manual, SAH Guidelines and NDIS Guidelines.
- To negotiate the access to appropriate services and to monitor the quality of the services engaged
- Advocate on behalf of individuals in support of their rights and to ensure that individuals are aware of advocacy agencies that they may be able to access.
- Demonstrate a trauma aware and healing informed approach in provision of care and services
- Ensure appropriate negotiation and clarification of roles and responsibilities of all involved in working with an individual and their primary carer/s.
- Provide a premium service to internal and external stakeholders that reflects best practice and adds value to GV Health and partner agencies
- Participate in service quality initiatives and identify areas for continuous improvement including but not limited to audits, supervision and team meetings

KEY SELECTION CRITERIA

Essential:

- Current Drivers licence.
- A Tertiary qualification in an appropriate Health and/or Human Services field, or extensive, relevant experience.
- Sound experience of the knowledge and skills required in working with frail older people, people with disabilities and their carers.
- Well-developed interpersonal and communication skills, including the ability to initiate and maintain contacts with a broad range of service providers and community agencies.
- A sensitive approach to working with individuals and focus on capacity building, planning and

financial monitoring skills

- Ability to work as part of a multi-disciplinary team.
- Ability to work independently and exercise informed judgement and problem-solving skills.
- Experience working within a community setting.
- Competent computer and record keeping skills
- Provide a NDIS worker screening check prior to commencement

Desirable:

- Ability to negotiate access to appropriate services
- Case Management skills or experience
- An understanding of the brokerage model of service delivery and contract management
