

Position Description

Position Title:	Pharmacy Technician
Reports to:	Deputy Director of Pharmacy
Department:	Pharmacy
Directorate:	Clinical Operations
Cost centre:	N0002
Code & classification:	Grade 1 (TF1)
Employment conditions:	Health and Allied Services, Managers and Administrative Workers (Victorian Public Sector) (Single Interest Employers) Enterprise Agreement 2025 – 2027 and GV Health Policies and Procedures (and as varied from time to time)

GV Health is an equal opportunity employer and continually strives to build a diverse, equitable and inclusive workforce that reflects our community. We encourage applications from people of all backgrounds.

Statements included in this position description are intended to reflect in general the duties and responsibilities of the position. It is not intended to be an exhaustive list of responsibilities, duties and skills required. GV Health may alter the duties of this position description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).

POSITION SUMMARY

To assist in the day-to-day operations of the Pharmacy Department at GV Health and provide support to Health Services under the supervision of a pharmacist. Duties include medication distribution (imprest management), computer data entry, prescription dispensing, sterile and non-sterile preparation, medication repacking, stock ordering, and stock control (inventory management). The role also involves liaising with other pharmacy and hospital staff to ensure efficient service delivery. In addition, the position may require travel to other health services contracted to receive pharmaceutical services.

RESPONSIBILITIES AND DUTIES

The following duties are inclusive of but not limited to the following:

- Work cohesively within a team environment.
- Work efficiently according to the daily work roster and travel to GV Health contracted sites to provide pharmaceutical and inventory management services.
- Attend to face-to-face and telephone enquiries professionally and proficiently within the scope of a pharmacy technician's responsibility.
- Be proficient with Pharmacy Department Software.
- Dispense medication under the supervision of a pharmacist.
- Review all medication orders for legibility, legality, and safety and initiate follow-up, where necessary, by consulting with a pharmacist.
- GV Health Position Description – Staff – June 2025
- Assisting with inventory activities, including the generation and receipt of orders as required for GV Health and supported Health Services.

- Be proactive in recommending cost-effective drug therapy within the scope of practice.
- Update the pharmacy system with changes to purchasing sources and details as required by the Director of Pharmacy and routine monthly product file updates.
- Undertake regular imprest reviews as a pharmacy team member to ensure that the system remains current and efficient.
- Participate in ongoing drug utilisation and audit activities, as required.
- Undertake training as required to fulfil components of the role.
- Participate in sterile and non-sterile manufacturing training.
- Prepare sterile oncology products for use within the clinical area(s).
- Undertake administrative duties as required.
- Provide support in PBS prescription processing and Medicare claim activities.
- Participate in the pharmacy's professional development program. Participate in the organisation, development and delivery of department education programs for pharmacy students, pre-registrants or other pharmacy technicians.
- Assist the Deputy Director of Pharmacy in developing and reviewing policies and procedures for the pharmacy department, particularly with dispensing, inventory and imprest management activities.
- Seek opportunities to improve the pharmacy services provided by GV Health internally and with our external partners in conjunction with the Director of Pharmacy.
- Assist the Deputy Director of Pharmacy with other duties if required.

KEY SELECTION CRITERIA

Formal Qualification(s) and Required Registration(s):

Willing to work toward getting a Certificate III in Health (Hospital Pharmacy Technician) from a registered training organisation or equivalent qualification (as approved by the Victorian Pharmacy Authority or equivalent body) within the first 12 months of starting this role

Essential:

- Excellent verbal communication and writing skills.
- Commitment to the GV Health Values of Compassion, Respect, Excellence, Accountability, Teamwork and Ethical Behaviour.
- Ability to achieve outcomes in a small team, working towards shared goals.
- Demonstrated familiarity with the use of computer-based pharmacy systems and procedures.
- Willingness to take part in working off-site, weekends and public holidays as required.
- Current valid driver's licence
- Satisfactory National History Criminal Check before commencement of employment
- Satisfactory Victorian 'Employee' Working with Children Check before commencement of employment
- Completion of a Commonwealth of Australia Statutory Declaration before commencement of employment
- In this role, you may occasionally interact with distressed, anxious or upset consumers or members of the public. GV Health is committed to the physical and psychosocial safety of our staff. All staff are required to comply with all safety-related training, look after the safety and well-being of themselves and each other, and actively foster a safe working environment
