

Position Description

Position Title:	Paediatric Registrar
Reports to:	Clinical Director of Paediatrics
Department:	Paediatrics
Directorate:	Clinical Operations
Cost centre:	A6403
Code & classification:	Hospital Registrar (HM25 - HM30)
Employment conditions:	Doctors in Training (Victorian Public Health Sector) (AMA Victoria/ASMOF) (Single Interest Employers) Enterprise Agreement 2022-2026 and its successors; and GV Health Policies and Procedures (and as varied from time to time)

GV Health is an equal opportunity employer and continually strives to build a diverse, equitable and inclusive workforce that reflects our community. We encourage applications from people of all backgrounds.

Statements included in this position description are intended to reflect in general the duties and responsibilities of the position. It is not intended to be an exhaustive list of responsibilities, duties and skills required. GV Health may alter the duties of this position description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).

POSITION SUMMARY

The Paediatric Registrar is directly responsible to the attending Paediatric Consultant for day-to-day patient management, and ultimately to the Chief Medical Officer. They will provide the day-to-day clinical management of patients under the care and direction of the Consultant Staff of the Department of Paediatrics to ensure a high quality of patient care. They will undertake administrative duties for the Department under the direction of the Consultant Staff to ensure that the Department is run efficiently.

RESPONSIBILITIES AND DUTIES

The following duties are inclusive of but not limited to

Delivery of Service

- Ability to accurately order and interpret radiology/pathology results.
- Ability to work well in a team environment.
- Experience with management of patients on the Ward.
- Ability to communicate effectively and work collaboratively with nursing staff, senior medical staff and other relevant staff on ward or in clinics
- Assessment and management of all Paediatric category patients during rostered hours and liaise as appropriate with the supervising Consultant.
- Assessment and Admission of Patients presenting through the Emergency department.
- When on call first and foremost respond promptly to any consults regarding Paediatric patients. This is to be a priority.
- Designing and implementing a management plan for each patient; where possible involving the appropriate Paediatric HMO's in this exercise.

- Supervising the management of Paediatric patients, delegating where possible and appropriate to the Paediatric Medical Officer (HMO) and/or other HMO's.
- Planning and organizing the structured discharge of each patient and ensuring appropriate communication with other treating doctors.
- Ensure that medication orders are printed and that items are prescribed generically.
- Participating in QA and Research projects.
- Communicating with and liaising between Senior and Junior medical staff and other members of the team involved in patient care.
- Supervising the entries in the Medical record and making appropriate entries of own assessments.
- Directing and teaching Paediatric Medical Officers, Medical Students and other Health Professionals.
- Providing input to Policies, Procedures, Guidelines and other administrative processes and participate in management committees.
- Understand and fulfil the documentation requirements of Goulburn Valley Health documentation policy and procedure.

Provide quality and safe clinical care for consumers

- Ensure consumers, families/representatives or carers are provided with timely information and are involved in decision making about their care planning and treatment
- Accept accountability for own actions and seek guidance when a situation exceeds experience and/or knowledge
- Uphold and protect consumer rights, maintain strict confidentiality and continually practice to the principles of open disclosure
- Comply with best practice healthcare standards, legislation, and GV Health's Clinical Governance Framework and clinical practice guidelines
- Consumer feedback and complaints are responded to appropriately to ensure that issues are resolved and quality and safe clinical care is provided
- Maintain accurate and current clinical records ensuring documentation meets professional and legal standards
- Promptly report vital consumer observations that are outside the normal range as per clinical guidelines
- Ensure an effective discharge from hospital or services that reflects the needs of the consumer.

Develop and maintain collaborative relationships with all disciplines

- Collaborate and communicate with all members of the health care team to achieve desired consumer outcomes
- Respect the decisions and actions of others
- Contribute to interdisciplinary team meetings and clinical education sessions to facilitate consumer care goals.

Support and participate in evidence-based programs to evaluate and improve the quality of consumer care and outcomes

- Maintain current knowledge of clinical practice
- Actively participate in identifying where improvements can be made to the quality of consumer care

- Participate in clinical audits, research, process redesign and accreditation against healthcare standards to ensure ongoing clinical practice improvement and the quality of consumer care.

Commit to ongoing professional development of self, other employees and the profession

- Maintain and demonstrate regulated clinical skills and competencies by undertaking professional development and completing mandatory training as defined by GV Health
- Undertake credentialing and review of scope of practice and work within these
- Improve performance by seeking feedback, setting goals and participating in annual performance reviews
- Support the development of others by acting as a resource to colleagues and participating in orientation and precepting of new employees and supervising students
- Provision of appropriate supervision to less experienced clinical employees
- Participate in committees and professional groups and disseminate relevant information to other health care professionals.

Teaching

- Attend and participate in all Department meetings
- Contribute to multidisciplinary and student clinical education sessions
- Deliver Morbidity & Mortality Reviews and Journal Club Presentations
- To be familiar with The Australian Curriculum Framework for Junior Doctors, which is an educational template outlining the learning outcomes required of prevocational doctors, to be achieved through their clinical rotations, education programs and individual learning, in order to promote safe, quality health care.
